

IOWA BIOTECH
SHOWCASE & CONFERENCE

PROPOSAL FAQS

**Submit Proposals
by October 18, 2024**

WHEN IS THE IOWA BIOTECH SHOWCASE & CONFERENCE?

The 2025 Iowa Biotech Showcase & Conference will take place March 4-5, 2025 at the FFA Enrichment Center in Ankeny, IA. All the presentations open for the proposal will take place on March 5, 2025.

WHEN WILL I KNOW IF MY PRESENTATION HAS BEEN SELECTED FOR IBSC 2025?

Submitting a proposal does not automatically qualify you to present at the Iowa Biotech Showcase & Conference. Upon receipt of your submission, you will be contacted by IowaBio staff to schedule a 30-minute virtual "interview." This interview will be attended by IowaBio staff and available IBSC committee members to learn more about your presentation concept and objectives.

IF SELECTED, WHAT ARE THE PRESENTATION REQUIREMENTS?

Selected presentations will be asked to prepare a 30-35 minute presentation with a corresponding PowerPoint.

WHO CAN SUBMIT A PRESENTATION PROPOSAL?

Presentation proposals can be submitted by any bioscience company, academic group, institution, or individual or service provider involved in the bioscience industry. Proposals are not limited to Iowa-based companies.

WHAT IS THE TIME FRAME FOR PROPOSAL SUBMISSIONS?

Presentation proposals will be accepted through Oct. 18, 2024.

ARE THERE REQUIRED FILE TYPES ON THE APPLICATION FORM?

Unless otherwise specified, please use the provided form fields on the [proposal submission page](#) to enter in your information. There are a small number of questions that require a file to be uploaded. Approved file types will be indicated for these fields.

IS REGISTRATION COMPLIMENTARY FOR CHOSEN SHOWCASE PRESENTERS?

Yes. If your proposal is selected for IBSC, complimentary registrations for the event will be provided to the presenters from your company.
